

Wise Serving Solutions

A white ceramic plate is shown from a top-down perspective, resting on a light-colored wooden surface. The plate features a central garnish consisting of three seared scallops arranged in a vertical line. Each scallop is topped with a small amount of red sauce and garnished with a green herb sprig. The scallops are surrounded by several pink radish slices, thin green cucumber slices, and small white flowers. A scattering of dark purple or red crumbs is visible on the white surface of the plate.

platewise[®]

Platewise[®] is made from renewable bamboo, stands up to rigorous commercial washing, and is biodegradable breaking down in landfills. The perfect combination of style, function, durability and affordability!
